21 August 2009

GUIDE WALL REPAIRS

PORT MAYACA LOCK, OKEECHOBEE WATERWAY, FLORIDA

1. Navigation interests are advised that Port Mayaca Lock guide walls are undergoing repairs, during weekday operations Monday through Friday during the hours 0700 -1700 from 10 August 2009 through 19 February 2010. Delays are not expected.
2. The work is being performed due to the severe deterioration of the lock guide walls. The guide walls in their current state are a potential hazard to navigation. The work is being funded by the American Recovery and Reinvestment Act.
3. When traveling the Okeechobee Waterway, please wear your life jackets and be conscious of the wake you create and its impact on other boaters.
4. Additional information concerning Port Mayaca Lock and the adjoining areas may be obtained by accessing the Jacksonville District web site at <http://www.saj.usace.army.mil> and choose OPERATIONS DIVISION and select NOTICE TO NAVIGATION from the pull down menu. Army Corps of Engineers Point of Contact is the Port Mayaca Lock staff at (561) 924-2858.

FOR THE COMMANDER:

for William C. Zottan

Jim W. Jeffords, Jr.
Chief, Operations Division
