

SECTION 00 10 00

BID SOLICITATION

Florida Inland Navigation District
1314 Marcinski Road
Jupiter, Florida 33477
(561) 627-3386

DREDGED MATERIAL MANAGEMENT AREA DU-2 WEIR REPLACEMENT; DUVAL COUNTY, FLORIDA

The Florida Inland Navigation District (District) will receive sealed bids for the construction of the District's Dredged Material Management Area DU-2 Weir Replacement Project at its offices at 1314 Marcinski Road, Jupiter, Florida 33477 until **2 PM, local time, November 22, 2016** and then, at said office, the bids will be publicly opened or read aloud.

This DU-2 Dredged Material Management Area project generally entails:

1. Excavation of a portion of the earthen embankment to remove/replace buried piping.
2. Demolition of existing weirs, timber walkway, and piping.
3. Fabrication and installation of three steel box weirs.
4. Fabrication and installation of aluminum access walkway structure.
5. Installation of fusion-welded HDPE piping.
6. Reconstruction of existing earthen embankment, grading, landscaping, and other associated work.

The Contractor must include a written description of his/her experience and technical capabilities with such construction. At a minimum this written description should include a description of at least 3 similar projects in the past 10 years on which the contractor was the general or primary contractor.

All bids not containing written information demonstrating the Contractor's experience and technical capabilities will be disqualified. If in the opinion of the District and its Engineer, the Contractor's experience and technical capabilities do not indicate similar experience, the bid will be disqualified. The Contractor may be asked to provide additional information to assist the District and its Engineer in making this determination. The District will award the bid to the qualified and responsive Contractor with the lowest bid price.

The DU-2 project area, located on northeast Black Hammock Island in **Duval County, Florida** (Township 1N; Section 38; Range 28E), is located east of Sawpit Road, just south of the intersection of Shark Road and Sawpit Road. The Contractor will have **150** days from the Notice to Proceed to complete the entire project. The District will hold a **mandatory pre-bid meeting and site visit at 10:00 AM on November 3, 2016** at the DU-2 Dredged Material Management Site. Bidders shall meet at the property entrance gate of the DU-2 DMMA site.

A Bid Bond will be required for bids that exceed \$200,000.00. Offers providing less than 90 days for District acceptance after the date offers are due will not be considered and will be rejected. Contractors may obtain the Contract Documents, Project Drawings, and Specifications from the offices of the District or the District's website (<http://www.aicw.org>) at no charge.
